This view in the 1000 block shows the house at right with a "For Sale" sign on it and an empty lot where a house has already been hauled away. The homes must be moved to make way for Rapid Transit's elevated through the middle of Albany. —Times Photo.

# Request for Support of UN Observance Fails Monday

A request for financial support for the 20th Anniversary Observance of the United Nations died for lack of a majority at the City Council session Monday night. Councilman George Hein was absent due to illness.

Monday night was the second time in as many weeks that the matter had been discussed. On May 10, four motions on the general subject died for lack of a second. Mayor Lewis Howell was out of the city that night.

John Pleich spoke for the audience on behalf of the UN observance, calling the UN "the only means of promoting brotherhood and peace throughout the world."

Garrie Thompson and Ralph Buckwalter argued against support of the organization. Dr. Flor-

ence Harris spoke for the UN, "our only hope."

Councilman Clark outlined the good record of the UN, moving to grant the request of one cent per person in Albany to help finance the anniversary observance. Councilman Joe Egenberger seconded the motion.

Councilman Joel Parker said he has no quarrel with the ideals of the UN when it was formed, but has many quarrels with its operation in the past 20 years. He said he could not find it in his heart to support the motion.

Mayor Howell said he thought

anything that would help prevent losing American blood was worth \$160 to \$170.

Egenberger, who has consistently opposed proclaiming UN Day over the years, then launched a tirade against the UN, stressing what happened in Hungary and the fact that the UN did not act nor in a decade has the matter been allowed on the UN floor.

"What are we saying?" he asked. "That everyone in Albany contribute one cent to bring Alger Hiss back to the Bay Area?"

Clark then moved to hold the

matter over one week. This died for lack of a second.

On the vote for financial support, Clark and Mayor Howell voted aye. Egenberger and Parker voted no.

**Held Over**  
A second UN request (to proclaim Oct. 24 as UN Day) was held over one week on Clark's motion.

Another item which died for lack of a majority was a resolution supporting a constitutional amendment which would create a one per cent gross receipt tax on telephone companies. Clark and Parker voted yes; Egenberger and Howell, no.

Albany Monday night became the first city in Alameda County to pass an ordinance concerning employment of professional strikebreakers. Two members of Oakland Typographical union 36 spoke from the audience in behalf of the ordinance. John Pleich urged caution. Egenberger proposed, then withdrew amendments to the ordinance. Parker said the Council has only heard from labor. He voted no while the others voted in favor of outlawing the use of professional strikebreakers in labor disputes.

Voting on Ordinance 61-011, changes in R-2 zoning, was held over for the second time. It will be on the agenda next week.

**Public Hearings**  
In two public hearings, Council approved an application to construct a seven-unit apartment (Continued on Page 3)

## COUNCIL

## City Flag Design Adopted; Twelve Banners Ordered

In a surprising 4-0 vote, Albany City Council Monday night approved the originally proposed design for the official city flag and an order for 12 (later amended to 10) cotton bunting banners, a complete rayon flag unit for the new City Council chambers and a four-by-six parade flag for Albany post 292, American Legion, state champion color guard.

Councilman Joel Parker, who previously had balked until he saw a paper mockup of the proposed design, went along with the proposals by Flag Committee Chairmen Richard Clark and Joe Egenberger. George Hein, who

had expressed doubts earlier, was absent.

Egenberger reported that one flag would cost from \$95 to \$125. A paper design would run about \$75. When ordered in substantial numbers, the cost is considerably reduced, he said.

It was not reported what the bill will be for the order decided upon. Six four-by-six and six five-by-eight cotton flags and the unit for the Council chambers would have been \$337.

This was later changed to five each of the cotton flags to make it possible to purchase a parade flag for the color guard.

## Come On, Girls!

## Four Entries in Maid Contest -- New Deadline for Entering Thursday

Are there only four pretty girls in Albany?

The Jaycee committee for the Maid of Albany contest, all trained girl-watchers, know nothing could be farther from the truth.

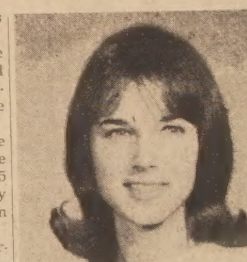

With only four entries by the Friday deadline, the committee has extended the deadline to 5 p.m. tomorrow, Thursday, May 20. And they hope to have an avalanche of entrants.

"Win or lose, it's a wonderful experience," said Chairman Bill Meissner. "All girls who have entered before agree that the experience was well worth our effort."

"If we can't appeal to the girls themselves, we urge parents, boy-friends, sisters and brothers to encourage Albany's pretty girls to enter. Drop by the Chamber of Commerce office, Albany Times, or Albany Theatre and pick up an entry blank for them."

The contest will begin at 7 p.m. Wednesday, May 26, at Albany Theatre. Tickets, \$1.10, entitle the holder to see the Maid of Albany contest and remain for the movie.

More wonderful prizes than ever await Albany's Maid this year. She will have a steady near appointment at North Berkeley Beauty School and a car from H. L. Moore Chrysler-Plymouth for official appearances. She will receive a \$200 scholarship; \$50 savings bond from the

# JEHOVAH'S WITNESSES CONVENTION MAY 21

Jehovah's Witnesses from the Albany-Berkeley area and 17 other East Bay and Contra Costa county congregations will assemble to hold a weekend convention on Friday, May 21, at the Contra Costa County Fairgrounds in Antioch.

More than 300 from the Albany-Berkeley area will attend the semi-annual circuit convention sponsored by the Watchtower Bible and Tract Society. Howard E. Hooks, local presiding minister, said that all meetings at the local Kingdom Hall will be cancelled over the weekend of May 1-23.

Key speakers at the conference will be Arthur B. Stutler and Robert L. Balzer, Watchtower Society representatives from world headquarters in New York. Stutler, district supervisor for Northern California, arrived May 18 to direct activities for the 3-day training conference, the theme of which is "Winningly Fulfill Your Ministry." Balzer, circuit supervisor for East Bay and Contra Costa County congregations, is well known to the Albany-Berkeley area, having personally called on many residents during his regularly scheduled visits to the local congregation.

In commenting on the training aspects of their gathering, Hooks stated, "The responsibility of teaching rests upon every dedicated Christian. For this reason the Watchtower Society arranges these special Bible seminars."

An invitation to all local residents to attend the public lecture scheduled for Sunday, May 23, at 3 p.m., is extended by Hooks. The address, "The Moral Breakdown—What Can Be Done About It?" will be delivered by Stutler to an estimated crowd of 2,500.

In the next year, the Arch Wives will have several tours, parties, and other social events. Meetings are held the second Monday of each month in the Americana Room at American Savings, 1870 Solano Avenue, Berkeley. Various people (generally members of the University faculty) speak at these meetings with topics ranging from dilemmas met in the architecture profession to historic and current trends in style.

**GOING UP!** A giant 100-foot crane swung into action at 1870 Solano Avenue Friday, to hoist an 18-foot, 1,800 pound sign to the top of the American Savings building. The lighted red, white and blue American Savings emblem replaces the old Berkeley Savings sign.

## NEW AMERICAN SAVINGS SIGN AT 1870 SOLANO

The last vestiges of the old Berkeley Savings signs at the 1870 Solano Avenue building are now gone, and a sparkling new red, white and blue American Savings insignia has been raised atop the building in its place. Erection took place Friday when a giant 100-foot crane swung the 18-foot, 1,800 pound sign to the

top of the building. The new sign is fabricated of cast acrylic with velvet finish and interior illumination.

Federal Sign and Signal Corporation of Oakland was granted the contract to construct and install custom-made signs for all 30 branches of the world's largest savings and loan branch network.

## KENSINGTON COMMUNITY COUNCIL FUND DRIVE

Kensington Community Council will hold a door-to-door campaign next fall to raise funds for expanded recreation facilities in Kensington, and to continue financing of The Outlook and the year round program of recreation for children and adults of the community.

Burton Wolfman, chairman of the annual fund drive, said that the house-to-house campaign will serve a two-fold purpose. It will be an educational program to acquaint residents of Kensington with the recreational and cultural opportunities of the community. He further said that it would be a means of raising increased funds for the continued development of recreation facilities on the hillside adjacent to the Kensington Youth Hut.

Two representatives from each community organization will form a central committee to plan the house-to-house campaign, which will be held during the week following the annual Kensington Open House Oct. 3. The door-to-door campaign will involve only those households that have not responded to a mail appeal for funds to be held in September.

Walter J. Smith, chairman of expansion for the Kensington Community Council, has pointed

out the need for increased funds for further development of recreation facilities according to the Master Plan prepared by Theodore Osmundson, landscape architect. He said that grading for an outdoor amphitheater, leveling of land for a tot lot, and filling for a future picnic area have been completed, and 600 trees have been purchased and planted with matching funds provided by Kensington Community Services District and Kensington Community Council.

An additional \$2,500 has been granted by Kensington Community Council for completion of the amphitheater. Increased funds in the fall campaign, Smith said, would help build tennis courts, or complete the tot lot and picnic area during 1966.

### LEGION AUXILIARY

house at 514 Kains and denied the application to move a fourplex from El Cerrito to 1053 Standage on the grounds that the lot is not large enough to accommodate the structure.

Upon recommendation of the Traffic and Safety commission, Council extended the trial period of unlimited, one-hour and two-hour parking on Kains. Administrative Officer James B. Turner reported there have been no complaints, but he noted that Kains is "filling up" with cars during daytime hours.

Resolutions passing 4-0 concerned refund of overpayment of taxes and cancellation of taxes on property acquired by BARTD, granting indefinite leave of absence to Animal Control Officer John Savers, and commending members of the Albany Fire Department for winning the Chamber of Commerce Fire Safety Award.

On the fire safety award, Egenberger said that it is unique for a city to win this honor once in a decade, but "each year, sure as death and taxes, Albany gets

8:30 Monday, May 24. During the meeting, Mr. and Mrs. Rex Volheim will be installed presidents of the organization along with other new officers.

a national fire safety award." He urged people to realize what an outstanding department this city has, commending Fire Chief Gerald D. Browne and Fire Prevention Officer Richard McSheehy and all members of the department.

Council voted to ask City Planner Herman Ruth to prepare an answer to objections of the Goals and Objectives committee to the preliminary general plan.

Superintendent of Schools Kenneth M. Forry notified the Council that Charles Pinkham has been re-elected president of the Board of Education for the ninth term and that Mrs. Edgar Volz has been re-elected vice president. Meetings, he reported, will be the second Tuesday of each month at 7:30 p.m. at the School Administration building.

Council voted to prepare a letter supporting AB 2323 which would mitigate the problem of the financial burden imposed for the education of children residing on non-taxable University property. The hearing on the bill will be held Monday, May 24.

**Requests**  
A request by the City of San Leandro to support election of park directors by wards failed to pass. Only Clark voted yes. A request from Albany Homeowners and Taxpayers association to act on a sewer hookup

charge was referred to the Administrative Officer.

Communications from Senator George Murphy and Congressman Jeffrey Cohelan regarding voting rights bill were filed.

Parker reported that the poor condition of the surface of Buchanan Street is under investigation by Turner. Egenberger noted that the contract specifies that the contractor shall remedy any base failure without cost to the city.

Council authorized Turner to go ahead with repairs for the restrooms at Memorial Park at a cost not to exceed \$3,500.

The meeting was adjourned at 10:45 p.m. in memory of Terry Hollis, the Little Leaguer who died Friday at Herrick hospital. A letter of condolence will be sent to the family from the Council.

carried our young nation's new  
Flag to the four corners of the  
world, opening the continents to  
our commerce.

In the same tradition, it is the  
modern American-Flag merchant  
ship of today that provides us  
with the needed imports of raw  
materials vital to industry and  
to the defense program. It is  
these same ships that provide  
access to world markets for the  
products of our factories and  
farms, bolstering the national  
economy, maintaining our place  
in the Free World, aiding our  
balance of payments.

In their daily tasks, U.S. Flag  
merchant ships and the men who  
sail them are work-a-day envoys  
to the free people of every con-  
tinent. For their service in the  
past, the present, and the future,  
the City of Albany salutes the  
men and the ships of America's  
Merchant Marine on this National  
Maritime Day! Albany also sa-  
lutes the Maritime Administra-  
tion, U.S. Department of Com-  
merce, on its 15th Anniversary,  
May 24.

**Annual Girl Scout Folk Dance Festival Saturday**

Albany Girl Scouts will join with more than 1,600 Scouts from the Bay Area in the annual folk dance festival to be held next Saturday, May 22, at Albany's Cougar Field.

Booths and games will be open from 11 a.m., with the grand

march and flag ceremony scheduled for 1:30.

A spook house and Japanese tea garden will be two of the featured booths at this 17th annual festival, according to Mrs. Albert Willing of Albany, who is in charge of the booths. Refresh-

ments will be offered, and all friends of Scouting are invited for lunch, to watch the dancing, and enjoy the game booths.

This year's Scout theme, "Hands Across the Sea," will be celebrated by an intermission exhibition of Philippine dances under the direction of Mrs. Manuel Arool of Albany.

Mrs. Harry Krentz of Berkeley is in charge of this year's dance program; Mrs. Lyman Wiltshire of Berkeley is general chairman, and adults from Albany working on the festival include Mr. and Mrs. Lloyd Hogan, in charge of traffic control and information booth.

Half of the proceeds of the festival booths will be used to supplement funds from United Crusade and the cookie sale for the S.F. Bay Council; the other half is retained by individual local troops for service projects, camperships, travel funds, and other program expenses.

**UNIVERSITY VILLAGERS  
PROTEST RENT HIKE**

Residents of Albany's University Village have complained that the increased rents, approved by Regents, are unfair to everyone and will create an economic hardship on many families living in the Village.

A delegation of wives and children visited the Housing Services office on the Berkeley campus

last week armed with petitions and statistics.

They asked reconsideration of the rental increases scheduled July 1—\$8 a month on 420 old, converted wartime housing units, and \$5 a month on the new units.

University officials have said the increases will pay for new construction and to pay for increased maintenance costs.

Of student residents polled, about a third said they would not be hurt by increased rents; 38 per cent said they would have some financial troubles; 16 per cent, great deal of trouble, and 12 per cent, could not afford the increase.

**Dean Henderson  
Commander of  
VFW Post 2658**

Members of Albany post 2658, Veterans of Foreign Wars, have elected post officers for the 1965-66 fiscal year.

Those elected include commander, Dean Henderson; senior vice commander, Ralph Philip; junior vice commander, Sam Turner; quartermaster, Lavern Anderson; adjutant and service officer, Dave Pile; chaplain, Roscoe Allen surgeon, George Erickson; advocate and officer of the day, Steve Parkans; legislative officer and publicity chairman, Ted Finkbohner; community service officer and chairman of the Voice of Democracy program, Ralph Beemer; membership chairman, Henry Bellerive, and trustees, Herbert Walters, Bill Dietz and Sam Turner.

Commander-elect Henderson offered a vigorous program of building post membership as the

first order of business. Membership chairman Bill Dietz pointed out that many veterans of recent Far Eastern campaigns are now eligible for membership. Any non-affiliated veteran who holds a recognized overseas campaign medal and who has served honorably is eligible for membership in the VFW. It is also pointed out that Service Officer Dave Pile is ready to help any veteran or family of a veteran with questions about any veteran program or veteran benefit.

**Note of Thanks**

We are taking this means of expressing our most sincere thanks to the many kind neighbors, friends, Little League, Red Legs team, Alameda Naval Air Station, Albany High School and members of Bethany Lutheran church for the magnitude of their support following the loss of our loved one.

Special thanks to Pastor Kenneth Senft for his comforting message; to the soloist and organist for their beautiful music, and to the Ellis-Olson staff for their tender guidance.
